

### Unlocking the art of Session Planning

Teachers attended an insightful induction program conducted by Mrs. Anuradha from Education. She walked them through the process of implementing lesson plans with active learning strategies that can make classes interactive. Her expertise and patience in addressing doubts made the session incredibly productive and informative.

### “Be on Time, Every Time - Punctuality is Prime!”

In a lively play during the assembly, the children took the stage to emphasize the importance of being punctual. They presented a skit featuring a girl who delays her work and ultimately misses out on a picnic because she wasn't on time. This performance highlighted the benefits of punctuality and encouraged their peers to adopt this valuable lesson in their daily lives.

## “From Seed to Stitch, Wear What's Rich!”

Grade 2 children embarked on an exciting journey to explore the world of clothing! They learned how cotton transforms into threads and then watched as those threads are woven into colorful fabrics. Through engaging activities, the kids gathered threads together to make their own mini textiles, sparking their creativity and curiosity. This hands-on experience deepened their appreciation for the clothes they wear every day, blending fun with education!

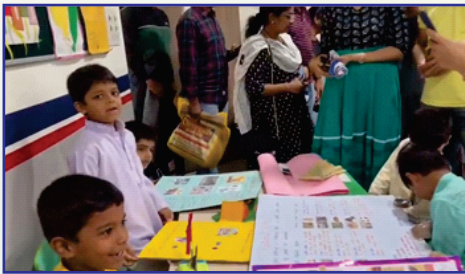

## “Celebrate Ganesh Chaturthi: Ten Days of Joy, Unity, and Love!”

During the special assembly for Ganesh Chaturthi, the children gathered to learn about Ganesh Chaturthi with enthusiasm. They discovered that this vibrant festival is celebrated for ten special days, filled with joy and community spirit. The focus was on embracing the values of love, unity, and togetherness that the festival represents. Through stories and activities, the children gained a deeper understanding of the significance of Ganesh Chaturthi in their culture.

# “Clothes and Shelter: Protecting Us Every Day, in Every Way!”

The students of Grade 2E and 2F embarked on an exciting journey to explore the vital importance of clothes and shelter. Through their models and charts, they learned about the different types of clothing and shelters around them. The young explorers confidently presented their findings, leaving parents beaming with pride as they witnessed their children's engaging and informative presentations. It was a truly educational and cherished experience for everyone involved!

"Navya, our bright star in sports, continues to dazzle with her brilliance on the ice. Her impressive accomplishments make us incredibly proud:

- Long Free Skating Quad: 1st Place (Gold)
- Solo Free Dance: 1st Place (Gold)
- Figure Skating: 2nd Place (Silver)
- Long-Pair Skating: 2nd Place (Silver)

Navya's passion, dedication, and perseverance have earned her a coveted spot among the best. Her achievements inspire us all to strive for excellence. We celebrate Navya's success and look forward to her future triumphs.

# “Shine Bright as the Star of the Week - Share Your Story, Be Unique!”

The Star of the Week program provides children the chance to share their personal stories, likes, dislikes, and hobbies with their friends through vibrant charts. This week's standout students have truly dazzled us with their creative presentations, showcasing their unique talents and experiences. Their enthusiasm and creativity shine brightly, inspiring everyone around them!
