

### Unlocking the art of Session Planning

Teachers attended an insightful induction program conducted by Mrs. Anuradha from Education. She walked them through the process of implementing lesson plans with active learning strategies that can make classes interactive. Her expertise and patience in addressing doubts made the session incredibly productive and informative.

### Spreading joy and positivity through service: Community service drive

The students of Class 8 demonstrated their compassion and social responsibility by participating in a community service activity, collecting donations of non-perishable goods for flood relief efforts. With enthusiasm and empathy, they rallied together on collecting essential items, including food, clothing, and other products. This selfless act not only provided crucial support to those affected by the floods but also instilled valuable lessons in the students about the importance of giving back to the community and making a positive impact. Through this initiative, our young learners showcased their ability to come together and make a difference in the lives of others, embodying the true spirit of kindness and compassion.
