JOHNSON GRAMMAR SCHOOL

ICSE, ISC MALLAPUR

March-April - 2024

Level - 1

Principal's Message

Dear Students, Parents & Colleagues,

It is my pleasure and privilege to welcome you to the First Edition of the Newsletter, The Communique for the academic session 2024-2025.

Education is for life and life long. It is a system that prepares children to face challenges of living at his or her own pace under the guidance of adults in a positive environment. This is exactly what we try to inculcate in young minds at Johnson Grammar School, ICSE & ISC Mallapur. Students are our priority and we at JGS value their opinion and thoughts.

The consistent good work of the JGS staff members, students and support from parents have helped us once again to bag the First Position in Telangana and First Position in India as per "Parents Choice Awards 2023" presented by Education Today. JGS Mallapur has also been awarded as the "Exemplary Creative Team" for contribution in the field of Education by India's Top Prestigious School Jury Awards 2023 presented by Education Today.

Johnsonites have a cutting edge over others across the nation and globally because they are taught not only life skills but also to set goals and achieve balance in and outside the classroom. These have taken them along the path of success and helped them to become leaders through generations.

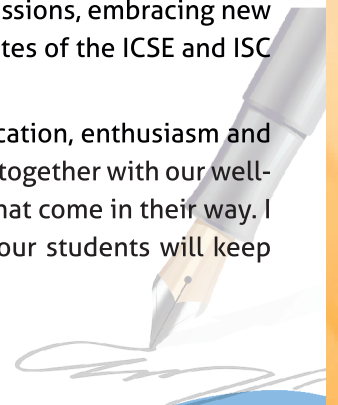

To encourage and motivate students towards pursuit of excellence in academics and sports, the students are awarded with different scholarships every year. The school has gone an extra mile and will be providing the facility of the Foundation Classes for Engineering, Medical and Chartered Accountancy for the Senior Secondary students from this academic session. The University Education Fairs organised at school by the National and International Universities provide guidelines towards admission to different colleges and universities post completion of the ISC (Class XII) curriculum.

While I express my deepest appreciation to our dedicated faculty and staff members for their relentless efforts in guiding our students, I thank every parent for their unwavering support and cooperation for the successful completion of the last academic session. Our school has always been a place of innovation and progress, and I am sure that our students and staff with their consistent effort will make a positive impact both at the national and global levels.

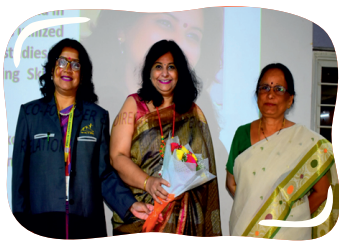

Yet again, the students have achieved 100% results in the ICSE and ISC Examination 2023. As I look forward, I am filled with excitement and optimism. I encourage everyone to continue pursuing their passions, embracing new opportunities, and supporting one another along the way. Best wishes to all the candidates of the ICSE and ISC Examination Year 2024. I am sure all our students will emerge with flying colours.

I congratulate and thank the entire fraternity of Johnson Grammar School for their dedication, enthusiasm and unwavering support in keeping up to the School's Mission and Vision. We take every step together with our well-wishers, and all stakeholders in this journey to help our students overcome all hurdles that come in their way. I sincerely thank every member of the JGS Family for keeping the Flag high, and hope our students will keep uplifting the name of Johnson Grammar School in the world of education.

Mrs. Srabanti Basu
Principal

Pre-Primary-Parent Orientation

Mrs. Tripta Tarunesh led an enlightening Parent Orientation for Pre-Primary parents from Habsiguda and Mallapur. Her session focused on fostering collaboration between teachers and parents to support the new curriculum and books she designed. With a deep-rooted commitment to empowering education, Mrs Tarunesh embarked on a journey to unveil the intricacies of the new curriculum and books designed under her visionary guidance.

Amidst the exchange of ideas and aspirations, Mrs. Tripta Tarunesh's Parent Orientation served as a beacon of hope, illuminating futures brimming with promise and potential. Her unwavering dedication to holistic education echoed through the halls, resonating with each parent as they embraced their role as partners in their children's learning adventure, laying the foundation for empowered learning futures.

Embarking on a Journey: Pre-Primary's First Day

On the first day of school, excitement filled the air as Pre-Primary students embarked on a new academic journey. A photo booth was set up, inviting children to capture moments of joy and anticipation.

With colourful props and playful backgrounds, the photo booth became a hub of laughter and creativity, as children posed with friends and teachers, showcasing their unique personalities.

As the day unfolded, the captured photos were displayed prominently in the classroom, serving as visual reminders of the memorable start to the school year. These photos not only celebrated individuality but also fostered a sense of belonging and community among students and teachers alike.

Through the simple act of snapping a photo, the first-day photo booth became a cherished tradition, immortalizing the beginning of a journey filled with discovery, growth, and endless possibilities.

Pre-Primary students celebrating Ugadi and Eid

Our Pre-Schoolers on April 8th, 2024, had a blast celebrating Eid and Ugadi!

The celebration kicked off with a fun learning session about the five pillars of Islam, the foundation of the Muslim faith. We discussed why Eid is celebrated, marking the joyous end of Ramadan. To add to the festive spirit, the children were given special Eid cards filled with vibrant decorations and messages of "Eid Mubarak"!

We also explored Ugadi, the Telugu New Year, signifying new beginnings and delicious treats. As a takeaway for this special occasion, the children received yummy mango cutouts, a traditional Ugadi treat!

This was a wonderful day filled with learning and celebrating the rich tapestry of our cultures. The children had a fantastic time and went home with a deeper understanding of Eid, Islam, and Ugadi!

First Palm impression-Blue Palms: Pre-Primary's Creative Debut

In a world of wonder, Pre-Primary students dipped their tiny hands in blue paint, leaving their first palm impressions on paper. Each stroke radiated innocence and creativity, marking the beginning of a colourful journey filled with discovery and imagination.

Through this simple yet profound activity, the Pre-Primary students embark on a journey of self-discovery and artistic exploration. Their first palm impressions in blue serve as a testament to their unique voices and the endless possibilities that lie ahead in their educational odyssey.

Measuring Height Activity –Senior KG

Height activity where the children measure themselves as teachers' guide, sticking stickers to show growth and celebrating every inch of progress. This activity conducted for Senior KG students offered valuable learning outcomes:

Mathematical Skills: Children learn measurement and comparison concepts.

Fine Motor Skills: Applying stickers hones their hand-eye coordination.

Self-awareness: Comparing heights fosters self-esteem and understanding.

Social Interaction: Collaborating with peers promotes teamwork.

Observation and Data Analysis: Children learn to compare and interpret data.

Overall, this height activity is not just about physical measurement; it encompasses a holistic learning experience that integrates mathematical, social, and personal development aspects, nurturing well-rounded learners.

Sound Activity-Senior KG

Blindfolded Senior KG students engage in a sensory journey, listening keenly to various sounds to discern and identify them.

This immersive activity serves as a stepping stone in their auditory development, honing their ability to recognize and associate sounds with letters.

Through this hands-on approach, students not only refine their auditory skills but also lay the foundation for language acquisition, fostering literacy and communication abilities.

Texture Exploration by Junior KG

Engaged Junior KG students in an immersive texture exploration activity designed to stimulate their senses and foster creativity. Through hands-on interaction with various tactile materials like sandpaper, cotton balls, and silk fabric, children will develop sensory awareness and expand their vocabulary as they describe the textures they feel. This engaging activity promotes cognitive growth and artistic expression, providing a foundation for lifelong learning and curiosity about the world around them.

Self Portrait – Mirror Exploration- Senior KG

"Discovering the Artist Within: Senior KG students embrace self-expression through mirror self-portraits, celebrating their unique reflections with crayons and creativity!"

In a delightful self-portrait activity, Senior KG students explored their reflections in the mirror, capturing their unique features with crayons and paper. This engaging exercise fostered self-expression and fine motor skills development as they translated their observations onto the page. Through art, these young learners embarked on a journey of self-discovery, celebrating their individuality with every stroke.
