## JOHNSON GRAMMAR SCHOOL

ICSE, ISC MALLAPUR

DECEMBER 2024

Level - 5

The journey in Chemistry is not just about understanding atoms and molecules, it's about cultivating critical thinking, problem - solving skills and enhancing creativity. Every concept grasped brings you closer to unlock ground breaking discoveries. Be curious, stay passionate and transform your knowledge into a force for positive change.

As you prepare for your upcoming exams, remember that chemistry is omnipresent, not only in our surroundings but also within our own bodies, where numerous chemical substances work in harmony to maintain overall health and well-being. Just as chemical reactions demand precision and balance to yield desired results, our bodies require balance and maintenance to function optimally. To achieve this balance, remember to:

1. Fuel your body with nutritious food.
2. Stay hydrated by drinking plenty of water.
3. Get enough rest and exercise.

Like a catalyst accelerates a chemical reaction, your hard work and dedication will catalyze your success in the exam. As chemical reactions are influenced by various factors, your efforts will yield success. In conclusion, stay focused, stay motivated, and show the world the amazing chemistry that happens within you. All the best for your exams!

You + Hard work + curiosity = SUCCESS!

Keep shining!

**S. Anitha** - Chemistry HOD

## A Collaborative Journey In Education

An overview of the Parent Orientation Session for Grade VIII, held on December 21, 2024, led by Ms. Srabanti Basu, the Principal of JGS Mallapur.

The main focus of the session included: 1. Updates from the Council 2. Subjects available for Class IX (Academic Year

2025-2026) and the respective subject combinations. 3. Rules and regulations in accordance with CISCE norms and standards. We would like to thank all the parents for their active participation in the session.

Pratham Agarwal - 10A

## Founder's Day Celebration at JGS, Mallapur on 3rd December, 2024.

Johnsonites came together to honor the vision and dedication of our school's founder chairman, Sri SRN Mudiraj. We celebrated his legacy, which continues to shape education and inspire generations. Winners of various events were recognized and felicitated during the celebration.

Pratham Agarwal - 10A

## A Day of Learning

On 4th December, 2024, our school had conducted a Home Science Practical Exam for the students of grade 10 during which, they expressed their knowledge and skills in various aspects of the subject, thereby boosting their creativity and providing a hands-on approach.
