

JUNE 2026-2027

COMMUNIQUE

JOHNSON
GRAMMAR SCHOOL
• ICSE & ISC •

ISC VOLUME 2 LEVEL 6

FROM PRINCIPAL'S DESK

Dear Students, Parents, and Colleagues,

It is with immense pride and joy that I welcome you to the 2026-27 academic session and to another vibrant edition of The Communique. Each year at Johnson Grammar School is a journey of growth, innovation, and achievement, and this year promises to be even more transformative. Our theme for this academic year is 'Sense of Responsibility', reflecting the values we seek to instil in every Johnsonite.

We continue to strengthen our academic offerings to ensure that our students are future-ready. Our Foundation and Advanced Classes now extend across Science, Commerce, and Humanities streams, with focused preparation for competitive examinations such as Engineering, Medical, IPMAT, and CLAT. These initiatives provide structured pathways to higher education and career success, ensuring that Johnsonites are equipped to excel in diverse fields.

Last year, we proudly introduced Robotics as a subject at the ISC level, providing our learners with hands-on exposure to cutting-edge technology. This year, we are delighted to introduce Entrepreneurship, nurturing creativity, innovation, and business acumen among our senior students. Together, these subjects reflect our vision of preparing students for leadership in a rapidly changing global Environment.

Equally important is the holistic development of our learners. We are thrilled to announce the inauguration of our renovated sports facilities: a vibrant, colourful Pre-Primary play area, a senior school basketball court and playground, and a new badminton court. These spaces will provide our students with opportunities to build teamwork, resilience, and discipline, complementing their academic growth.

In keeping with our theme of responsibility, students have been entrusted with leadership roles such as Class Prefects, Chief Librarian, and Care Associates. These responsibilities not only build confidence and discipline but also foster accountability, teamwork, and service to the school community. Their leadership and confidence have already made a positive impact, setting an example for their peers.

I am delighted to share that our students have once again achieved excellent ICSE and ISC Board Results in 2026, with 100% success. This remarkable achievement is a testament to the dedication of our teachers, the perseverance of our students, and the unwavering support of our parents. Congratulations to all candidates, their families, and the faculty for this outstanding accomplishment. Truly, it is a moment of pride for the entire JGS family.

I express my heartfelt gratitude to our dedicated faculty, supportive parents, and enthusiastic students. Your collective effort and cooperation remain the cornerstone of our success. Together, we will continue to uphold Johnson Grammar School's mission and vision—creating lifelong learners, confident leaders, and responsible citizens.

“Education is not the filling of a pail, but the lighting of a fire.” — William Butler Yeats

With best wishes and kind regards,

Srabanti Basu
Principal

Welcoming Back The Staff

The first day of the academic year 2026–27 marked a vibrant new beginning for the teachers of JGS Mallapur, who returned after a refreshing summer vacation on the 1st June 2026. The Principal warmly welcomed the staff, announced the outstanding ICSE and ISC results, and delivered an inspiring session on the role of teachers and the importance of classroom management. The program concluded with the introduction of new staff and a vote of thanks, setting a positive tone for the academic year ahead.

The Telangana Formation Day

The school campus came alive with patriotic spirit as teachers and sports students enthusiastically celebrated Telangana Formation Day. The event began with the hoisting of the national flag. The staff and sports students came together to celebrate the occasion, and the air was filled with pride and appreciation for the vibrant culture of the state.

The celebration served as a reminder of Telangana's remarkable journey and inspired students to contribute positively to the state's progress.

All The Best!! **2025-2026 Batch**

THE CERTIFICATE COLLECTION FOR THE BOARD EXAMINATIONS OF THE ACADEMIC YEAR 2025–2026 WAS CONDUCTED FOR GRADE XII STUDENTS. STUDENTS, ACCOMPANIED BY THEIR PARENTS, VISITED THE SCHOOL TO COLLECT THEIR BOARD EXAMINATION REPORT CARDS, PASSING CERTIFICATES, AND OTHER IMPORTANT DOCUMENTS.

THE ADOBE EDGE

The staff members of Johnson Grammar School, ICSE & ISC, Mallapur, participated in an enriching online Continuous Professional Development (CPD) session conducted by Adobe on 4th June 2026. The session introduced educators to innovative digital tools and creative teaching strategies designed to enhance classroom engagement and learning outcomes. Through interactive demonstrations and practical insights, teachers explored ways to integrate technology effectively into their instructional practices. The programme served as a valuable platform for professional growth, equipping educators with contemporary skills to foster creativity, collaboration, and excellence in teaching.

MCB IN ACTION

An online MCB (My Class Board) session was conducted for all the staff of JGS Mallapur on 5th June 2026.

World Environment Day

On the occasion of World Environment Day (5th June 2026), a workshop was organized for the staff of JGS Mallapur by Mr. Suryanarayana Mallajyosula, a pioneer in Waste Management Projects.

During the session, he elaborated on how different types of waste can be recycled and managed effectively with zero investment, highlighting simple yet impactful methods that can be adopted in daily life. He also explained practical approaches to kitchen waste management and its benefits, such as producing compost and biogas from food waste.

The workshop was highly informative and engaging, teachers learnt simple techniques of making vermi compost from kitchen waste. The session was meaningful and engaging. It was a perfect way to start the day paying a tribute to the environment. It reinforced the importance of collective responsibility in protecting our environment and demonstrated that sustainable living can begin with small, and cost-free steps.

Result Analysis

The Principal of JGS, Mallapur convened a special session with the teachers and heads of departments to present and analyze the ICSE and ISC Board Examination 2025-2026 results. The session included performance trends, recognition of staff efforts, and strategies for strengthening academic planning and setting clear goals for continued excellence.

Learning never stops!!!

Teachers came together for an engaging professional development programme featuring wellness activities, interactive games, and collaborative sessions.

To promote holistic development and continuous learning, our teachers participated in a series of engaging sessions on Art, Yoga, Nutrition, Canva, Communication Skills, Calligraphy, and General Quiz, conducted by our own staff. Interactive games and collaborative activities added an element of fun, encouraging teamwork, meaningful conversations, and stronger bonds among the faculty. The programme enhanced creativity, well-being, and professional skills, leaving the teachers refreshed, motivated, and inspired to bring innovative ideas into their classrooms.
